KEY MESSAGE

Let's Begin Here

We One Action Network (WOAN) is a private and member based non-operating foundation based in Stanley, North Carolina (USA). We are committed to creating opportunities for bright minds and creative souls in Kenya, where a vast majority of youth lack the basic opportunity to strengthen their ability. WOAN supported initiatives and projects are designed to encourage the highest standards of creativity and long-term self reliance. Since our conception in 2017, we have positioned ourselves as part of the solution by listening and engaging with local leaders that understand what those gaps are and why. This slow approach enable better collaborations with exploring effective ways to close those gaps. In return, WOAN is able to stand on the frontline in our quest to assist disadvantaged students and educators.

What We Do

We One Action Network (WOAN) is committed to partnering with vetted and registered Non-Governmental or Community Based organizations. WOAN's primary focus is with educational learning (i.e., life-skills, classroom) and other key essentials like mentorship, youth development & leadership, food & nutrition, sanitary pads, school supplies and school uniforms. We seek to fund and support efforts that undertake new levels of achievement. Our operating principle is simple; WOAN strives to reach new heights through creativity and productive collaborations to guide our decisions.

Travis L. Rudd

Founder & Executive Director

PROGRAM AND PURPOSE

What We Stand For

We One Action Network (WOAN) does not discriminate based on race, color, religion (creed), gender, gender expression, age, national origin (ancestry), disability, tribe, marital status or sexual orientation, in any of its activities or operations. These activities include, but not limited to; hiring/firing of staff, selection of volunteers or selection of projects, initiatives, schools or provision of services.

WOAN is an equal opportunity provider, and we take measures to ensure against discrimination. We have a zero-tolerance policy against any form or kind of harassment. All or any incident will be reported to the local magistrate office at the county or state level in Kenya, United States of America or beyond. We are committed to providing a diverse, inclusive and welcoming environment for all members of our team, students, clients, interns, educators, volunteers and vendors.

What Is Out of Our Reach

WOAN does not engage or have a voice in governmental issues, marches, legislative policies, political arenas, political affiliations, protests, environmental policies (i.e., climate change), cultural or tribal differences, radical movements, marches, or human inequalities (racism, bigotry, etc) that are identified or governed under International, American or Kenyan constitutions or by-laws.

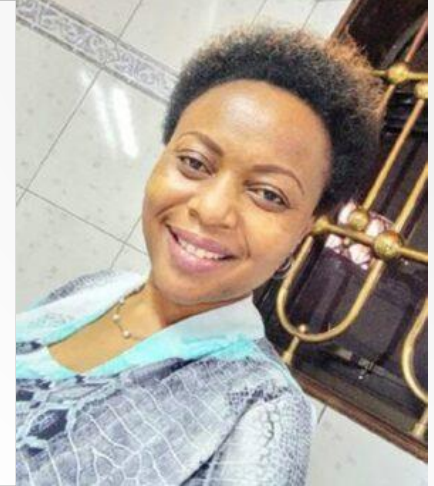

Travis L. Rudd

Founder & Executive Director

For the last 20 years, **Immaculate Kamau** (Program Consultant-Kenya) have been engaged with hospitality management and passionately involved in public health consultancy. She has recently had multiple consultancies in NGOs; Japan Platform at Kakuma, assessment of Transforming Health System Project, GFF mechanism on AYSRHS in Kisumu and Nairobi Counties for Organization of African Youth. She is also teaching as a part-time lecturer at Kenyatta University and Mount Kenya University.

Her education qualification includes a bachelor's degree in Education Home Economics from Kenyatta University, a master's degree in Public Health - University of Nairobi (Majoring in Family Health and Nutrition) and ongoing PhD in Population Health, Kenyatta University.

Having extensive experience in program management that encompasses program monitoring and evaluation. **Carolyn Chahilu** (Operations Advisor) other strengths include capacity team building, coaching techniques and understanding the various levels of mentorship has propelled me to gasp the wide-range of gaps in sexual and reproductive health. She is also knowledgeable in policy development advocacy, gender equality rights, and HIV programming as well as Sexual & Reproductive Health Right (SRHR) programs.

Her educational background is a Bachelor of Science in Nursing (BScN) from Masinde Muliro University of Science & Technology, a Diploma in Community Health Nursing from Kenya Medical Training College (Eldoret), and currently I am pursuing a Master's in Public Health & Community Development from Maseno University

NOW PART OF THE FAMILY!

EDUCATION IS THE KEY

In collaboration with Carolina For Kibera (CFK). We One Action Network (WOAN) offered six deserving students' scholarships to continue their secondary school education under CFKs Angaza Scholars Program. The students selected offered their aspirations, background and their own unique element. To learn more about the students, please visit [www. weoneactionnetwork.org](http://www.weoneactionnetwork.org).

Of course, they are also exceptional students in the classroom with all the intangibles to reach their dreams while becoming leaders in their own communities.

CFKs Angaza project supports vulnerable and disadvantaged students from across Kenya with the opportunity to complete their high school education through a mix of scholarships, leadership training and immersive field trips for exposure. To learn more about CFK Angaza Scholars Program; please visit www.carolinaforkibera.org.
